# **Quick Reference Handbook for Obstetric Emergencies**

**Action card guidance for medical and  
resuscitation emergencies in hospital**

**To ensure you have the most up to date  
version refer to contents page and  
[www.oaa-anaes.ac.uk/qrh](http://www.oaa-anaes.ac.uk/qrh)**

**Do not add or remove documents  
Do not alter the order of the documents**

**The guidance in this handbook is not intended to  
be standards of medical care.**

**The ultimate judgement with regard to a  
particular clinical procedure or treatment plan  
must be made by the clinician in light of the  
clinical data presented, the diagnostic and  
treatment options available.**
