## Questionnaire about animals

59 Hello! Thank you very much for taking the time to fill out this questionnaire. This questionnaire is to  
60 understand the thoughts and attitudes of people in China on animals and wildlife. Given the existing  
61 literature and research data, it cannot represent the all provinces and cities in China, we hope to  
62 encourage more people from different places through this network. The questionnaire is anonymous  
63 and its survey will be kept strictly confidential. The data collected will be used in part of the Little  
64 Fireface project ([www.nocturama.org](http://www.nocturama.org)) for academic research. Thank you for your participation and  
65 support.

66 1. What do you think is the use of animals? (multiple choices) [multiple choice questions] \*
